Accelerates expansion in India with 20 new hotels added to portfolio

Luxury Hotels Group (LHG), part of WHM Global, is boosting its presence in India with the company announcing the signing of 20 new hotels at OTM Mumbai 2016.

The properties are located in popular international tourism destinations Agra and Goa, as well as commercial hubs Mumbai, Delhi and Ahmedabad.

The India News follows the signing of a number of hotels by Luxury Hotels Group, in Europe as well as the announcement of its first hotel in Taiwan.

Amarpal Chandok, Director of Business Development, Luxury Hotels Group – Asia, said the expansion of the group's presence is an indication of the increasing importance of the India market and LHG's determination to further boost its presence in the market.

Mr. Amarpal Chandok added, "India is growing as a destination both for tourism and business. With visitor numbers continuing to rise, we have our sights set on growing our presence to meet this demand over the coming years. The suite of services that we offer our hotelier partners will help them to enjoy an enhanced profile, powerful global reach and bespoke business growth without compromising the character that sets them apart."

This year Luxury Hotels Group (Stand Number: E- 400) is offering a 10% saving on their packages - exclusively for OTM attendees.
